Director, Pathways to Education

Mosaic Counselling and Family Services is seeking a full-time Director of the Pathways to Education Program. The Director of Pathways is responsible for implementing, overseeing and evaluating all aspects of the Pathways to Education program. This position is responsible for meeting all the requirements of Pathways Canada who own the intellectual property rights for this program. The Pathways Director is also responsible for maintaining a diverse array of internal and external partnerships essential to successful outcomes for students enrolled in this program.

The successful candidate will have:

- Post Graduate Degree in Education or Social Services.
- Five or more years of experience in management/supervisory positions or equivalent.
- Thorough knowledge and relevant experience of the school system.
- Knowledge of management practices and organizational development.
- Experience managing multiple teams and projects.
- Experience in program development, implementation, monitoring and evaluation.
- Experience supervising multiple direct reports and experience in hiring and building staff teams.
- Knowledge and skills related to developing and managing large annual budgets.
- Experience in fundraising in a nonprofit or related sector.
- Capacity to work effectively with multiple stakeholders to achieve common results.
- Knowledge and experience working with youth, especially those living in marginalized environments.
- Experience in community development would be a strong asset.
- Understanding and demonstration of skills required to work in an environment with multiple accountabilities.
