Pathways to Education Golden Rules

★ *Be Yourself* ★ ★ *Explore Your Strengths* ★ ★ *Find Success* ★

The goal of these Pathways to Education "Golden Rules" is simple: we want you to be able to enjoy a safe, smart, and fun experience – which can be achieved by being RESPECTFUL! To help create this environment, we need your help!

RESPECT YOURSELF

Take pride in yourself, your talent, and the great work you can do! Always do your best.

RESPECT OTHERS

Everyone is accepted and valued for who they are! The tutors and mentors are there to help you, so please be respectful and treat everyone the way you would like to be treated!

- 🕮 Respect differences in people, their ideas, and their opinions: no bullying, harassment, verbal or physical abuse.
- 🕮 Treat one another with dignity and respect at all times, especially when there is a disagreement.

RESPECT LEARNING

Be prepared to come on time and ready to work. Take care of books and any other materials you are given on-site or from school. When you enter the learning space, your focus should be on the work you are about to do. Always do your best!

- 🕮 Show proper care and regard for community property and the property of others.
- 🕮 No disruptions: Respect the needs of others to work in an environment that is conductive to learning.
- 🕮 Phones: Will only be used before students sign-in, after they sign-out, or if they have permission from a Program Facilitator.

DEMONSTRATING LACK OF RESPECT CAN LEAD TO:

- 🕮 A verbal or written warning
- 🕮 You may be asked to leave the site and a phone call may be made to your parents and your SPSW
- 🕮 Individual Contracts will be developed for students with SPSWs and Program Facilitators
- 🕮 If a situation becomes serious enough, it may result in temporary or permanent withdrawal from the program.
